

Conceptual Design

I will post these assignments in Edmodo every Monday to be completed anytime during the week.

Week of 5—4 to 5—8

Remember to access this in Edmodo. The assignment will be posted there for you to complete.

Search for a building designed by architect **Frank Lloyd Wright**.

- Post an image of the building.
- Describe what the building is primarily used for.
- Your thoughts on the building.

Week of 5—11 to 5—15

Remember to access this in Edmodo. The assignment will be posted there for you to complete.

We all have a dream home, or things we would put in our dream home if we would design and build our own home.

- Provide 4 pictures of your dream home. In your picture be sure to include the following: 1 picture of the outside of the house, 1 picture of the kitchen, 1 picture of the bathroom, and 1 picture of your choice.
- For each picture provided tell me why you chose this design for this particular part of the house.
